Summary

I am a passionate front-end developer and tech enthusiast looking for an opportunity to showcase my passion-driven skills. For this reason, I am looking for a company willing to offer me a placement among their developers. In return, I will offer my full commitment and be a pleasant addition to your team.

I am therefore looking for a job as a front-end developer. Also willing to relocate.

Education

Mobile Web Specialist 2019 - Present

[GoogleALC](#)
